The Oklahoma Charge Volleyball Club has been thriving in Oklahoma City for eight years now. We have over 20 teams and 200 participants and participation is rapidly increasing. Not only does our club compete in volleyball tournaments across the United States, but we also continually organize camps, leagues, recruiting showcases, and programs for our youth volleyball players. You can acquire more information about our club at www.okchargevolleyball.com.

This is a great event for everyone! Teams can use this as a team building exercise for their upcoming seasons. Experienced players can enjoy competing with some of the best volleyball players in the surrounding states while others can simply take pleasure in getting some exercise and sun.
